

Cherry Picking Tour

Participants of this one-day tour to the New South Wales' region of Orange have a chance to experience some slow-paced farm life and pick their own cherries from one of the local orchards. Breathing crisp fresh air, both adults and kids can enjoy time amongst nature and have fun with friends and family. On the way, the bus stops at the Blue Mountain Echo Point, where participants can take some photos. On the spot, Groupies may also taste some locally-produced wines.
